Fall 2016

**Trista Mallow** and her mare, **Shez Addicting**, aka Funny Face have had an amazing year! They are currently leading the nation in Level 1 Am Equitation. In October Trista and Funny Face became Congress Champions in that event! They also placed 14th in the Am Equitation. They followed that up with a 5th place finish at the World Show in L3 Am Equitation. As you probably know Funny Face

is Trista's 16 year old former youth horse that she pulled out of the pasture early this year. What a year it has been!

**Nya Kearns** has brought home some serious hardware this year. It started at the AQHA Youth World where Nya and **BMQ Stop For Traffic** won their first World title in Equitation. Then came Congress where she again won the 12-14 Equitation as well as the NYATT Equitation with BMQ Stop For Traffic. She then won the 12-14 HUS with **Red Code Review**. She also finished 4th in the 12-14 Horsemanship with **Wired For Sleep**.

**Steve and Tanya Relander** just won an AQHA World Championship with their horse, **So Good To B Me**. "Robin" won the Junior Trail with Blake Weiss. According to the Equine Chronicle news is that they have sold the gelding to Caroline Cavallo. Congratulations to all involved.

**Chayna De Nicolo** and her mare **One Hot Shade of Gray** have had a terrific finish to their year! In August they won the NSBA World Show in Novice Am Showmanship. Then they placed in all of their Novice classes at the Congress. They were 6th NSBA and 7th in Showmanship, 5th NSBA and 7th in Performance Mares, 9th in Horsemanship and 5th in Equitation.

**Danielle Beauchamp's** mare, **Surely Sheza Hottie**, is still leading the Nation in Level 1 Western Pleasure with **Jennifer Burton**. The mare also had a great Congress finishing as a Finalist in the Green Western Pleasure and the Limited Open Western Pleasure Maturity.

**Cara Panozzo** and her mare **Ms Smokem Nu Tucker** won the Am Rookie Ranch Riding Championship at the Central Level 1 Championships back in April. Congratulations!

**Grace Hamilton** and her horse, **NI A Marecedes**, also had a terrific Congress! They were 3rd in the NYATT Equitation and 4th in the 14-18 Level 1 Youth EQ.

**Ruth Robinson** and **Aint I AWilly** placed 5th in Performance Halter Geldings at the World Show. I think Ruth's face says it all! Ruth and Willy also unofficially finished their AQHA Championship at Gordyville last weekend.
